

THE HOLY LAND: STORIES OF THE PAST, STRUGGLES IN THE PRESENT, HOPES FOR THE FUTURE

Dual Narrative Tour of Palestine & Israel

MARCH 6 - MARCH 17, 2023

Take a deep, fresh, and unique look at this amazing and holy land, with a multiple-perspective tour of Israel and the Palestinian Territories. Facilitated by two guides, one Israeli and one Palestinian, this tour will allow you to experience ancient holy sites, cosmopolitan cities, scenic landscapes, and political realities of this diverse region through the eyes of its residents.

Beginning with the rich cosmopolitan vibrancy and the gritty political realities of Tel Aviv & Jaffa, continuing into the religious histories of Jerusalem, and further into the towns and villages of the West Bank, and ending on the shores of the Mediterranean, this tour offers travelers the opportunity to meet religious leaders, artists, activists, and ordinary citizens and learn about contrasting national narratives, various religious perspectives, and political points of view.

During our visit, we will share in fellowship with local residents, meditate on mountaintop outlooks, and build relationships with local families from the country's diverse Jewish, Muslim, Christian, and other communities. As we move through this holy land, our experiences will compel us to tackle the difficult questions of faithful citizenship in a broken world. Even more, this tour will offer the opportunity to celebrate the hospitality, deep faith, and vibrant cultures of the people of this land.
