

Synod Journey Story Kit Overview

What is the purpose of these story kits?

During the Journey and the Gathering, youth and adults will encounter five scripture texts: Moses at the Burning Bush, The Woman at the Well, Philip and the Eunuch, The Road to Emmaus, and the Hemorrhaging Woman. It is our hope that participants will encounter these five stories prior to the Journey, enabling them to hear and engage these texts on multiple levels. This resource can be used independently or in conjunction with the Monthly Gathering Resources

Materials included in this Story Kit:

To be used in each session:

Cloth

Candle

Letter tiles

Flip Flop

Bible Scripture Book

Water Bottle

Question Mark

(Please note: Additional supplies may be necessary for each session. These supplies are listed at the beginning of every session.)

Set Up:

Gather your group in a circle. Create an "altar" area. In the center, lay out the cloth. Set the candle in the middle of the cloth. Spread out the letter tiles across the cloth. Place your water bottle, flip flop, question mark and scripture book around the candle.

Each story session will have repeated rituals that utilize these materials. Each item will also serve as a visual reminder for one of the five stories.
