

# NORTHEASTERN MINNESOTA SYNOD LEADERSHIP CAMP

Leadership camp is: peer ministry skills, being equipped to lead large group activities and small group discussions, grounded in Lutheran theology and Bible, and connected in deep relationships with others who share a love of Jesus and want to grow in faith. Leave Leadership Camp with a plan for how you want to use your skills when you return home. And of course, there is plenty of fun activities, free time, mystery events, and worship at campfires!
