

## Registration is open for the 2023-24 Lay Leader Network Cohort

The Synod's highly regarded lay leader development program has been a conduit for faith and leadership development in the Synod for more than 20 years. Consider what God may be calling you to do – expanding the gifts bestowed upon you and serving your community, your church, yourself and your family in new ways. Consider exploring and committing to following the light of Jesus in this new way. Joining the Lay Leader Network.

The commitment is 4 Saturdays (9-3 PM) starting in October and time to apply what you are learning. Classes are in Duluth, Brainerd and via Zoom. There's informal learning and networking opportunities too. The textbooks for this year's program will make you think and make a difference in your life.

The cost is \$230 (plus books) and scholarships are available via some church councils and the Synod office.
